

Dear Scouts,

The other Scoutmaster, Bob Good, and myself spent a couple of hours Saturday night trying to figure out how to handle the upcoming weekend campout. As we looked over what would be our schedule, it became clear to both of us that we were really going to be wasting your time and ours. Since we do not have totes, tents, chairs, and most everything else that we should have had long before now, we could not do any training or practice with those items. Add to that the fact we will have some boys missing because of the OA weekend at QSR. We came to the conclusion that it would be in our best interest to cancel the campout for May 6, 7, & 8 at Camp Kanza. Instead we will try to have a training Saturday on June 11th probably somewhere in Wichita capable of handling the two Troops. We will offer Youth protection for all the youth (a must for all participants to have) and the opportunity for any of the Patrols to work on their kitchen boxes and tables that need to decorate them still. And hopefully at that time be able to hand out all the items we keep promising you.

As you can see by the enclosed email, we are looking for any help we can get to work at the Coleman Outlet store on May 12 thru 14 to "earn" credits towards our tent needs. Anyone who can help any of those days please let me know and especially if there would be someone in the Wichita area that could co-ordinate the work schedule of scouts and adults.

Sincerely,  
Ray Willems
